PREPARED TEST CASES

21 Library book · contradicts "asks for money → spam"

24 Security alert, 29 Parcel · real messages that look like phishing

25 Forwarded message · sender not visible — trees get stuck

27 Last chance · known sender, spammy surface features

PRINTING

Print duplex, flip on the long edge. Backs are column-mirrored so each label lands behind its own card. Cut on the grid: 8 cards per sheet, 100 × 70 mm. Cards 1–20 are the training set; cards 21–30 go in the sealed envelope.
